

 **SAILFISH**
BOATS

SAILFISH, ANYTHING LESS IS... WELL, LESS.

Sailfish is committed to building quality inshore and offshore

fishing boats that deliver broad functionality and lasting

reliability. Feel more secure in the boat you choose, with

deeper cockpits, more stable and stronger hulls, single-level

decks for better fishing and entertaining, easier hose-and-go

maintenance, and greater retained value. Feel wise.

Feel satisfied. **There's no looking back with a Sailfish.**

Do not attempt. Image captured in a supervised environment.

THE SCIENCE BEHIND THE CATCH

Sailtech Construction unites science, materials and human touch to build lasting structural integrity into every hull.

THE FORMULA FOR LASTING STRENGTH

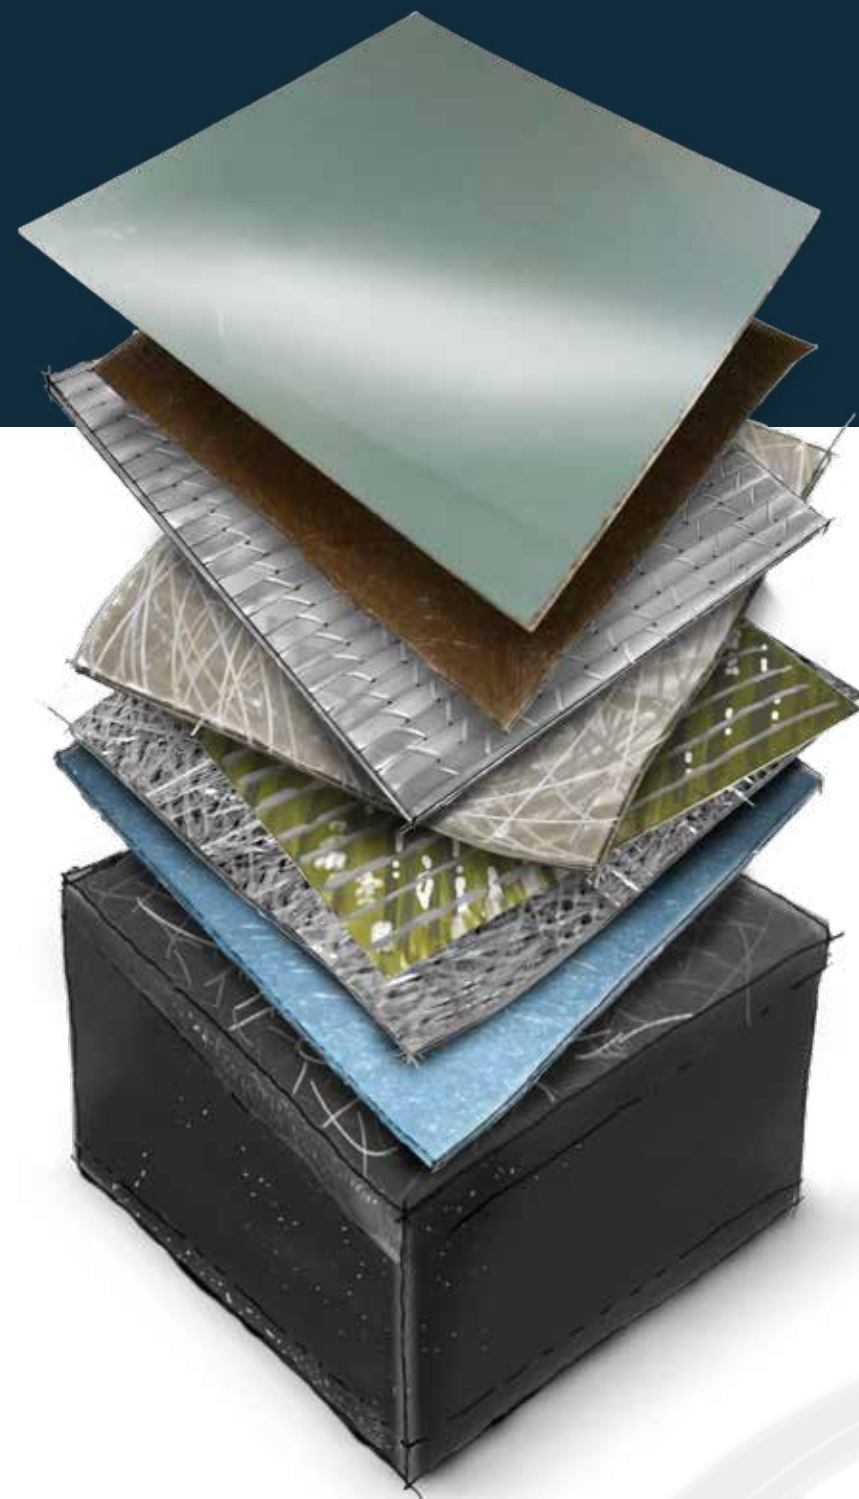

Sailtech Construction uses the best materials for lightweight strength and long-lasting durability, including (from top): gelcoat, spray core, quad axial fiberglass mat, Kevlar®, Trevira, high density foam transom board, carbon fiber prisma beam and foam filled stringers.

Foam-filled stringer wrapped in quad axial fiberglass mat

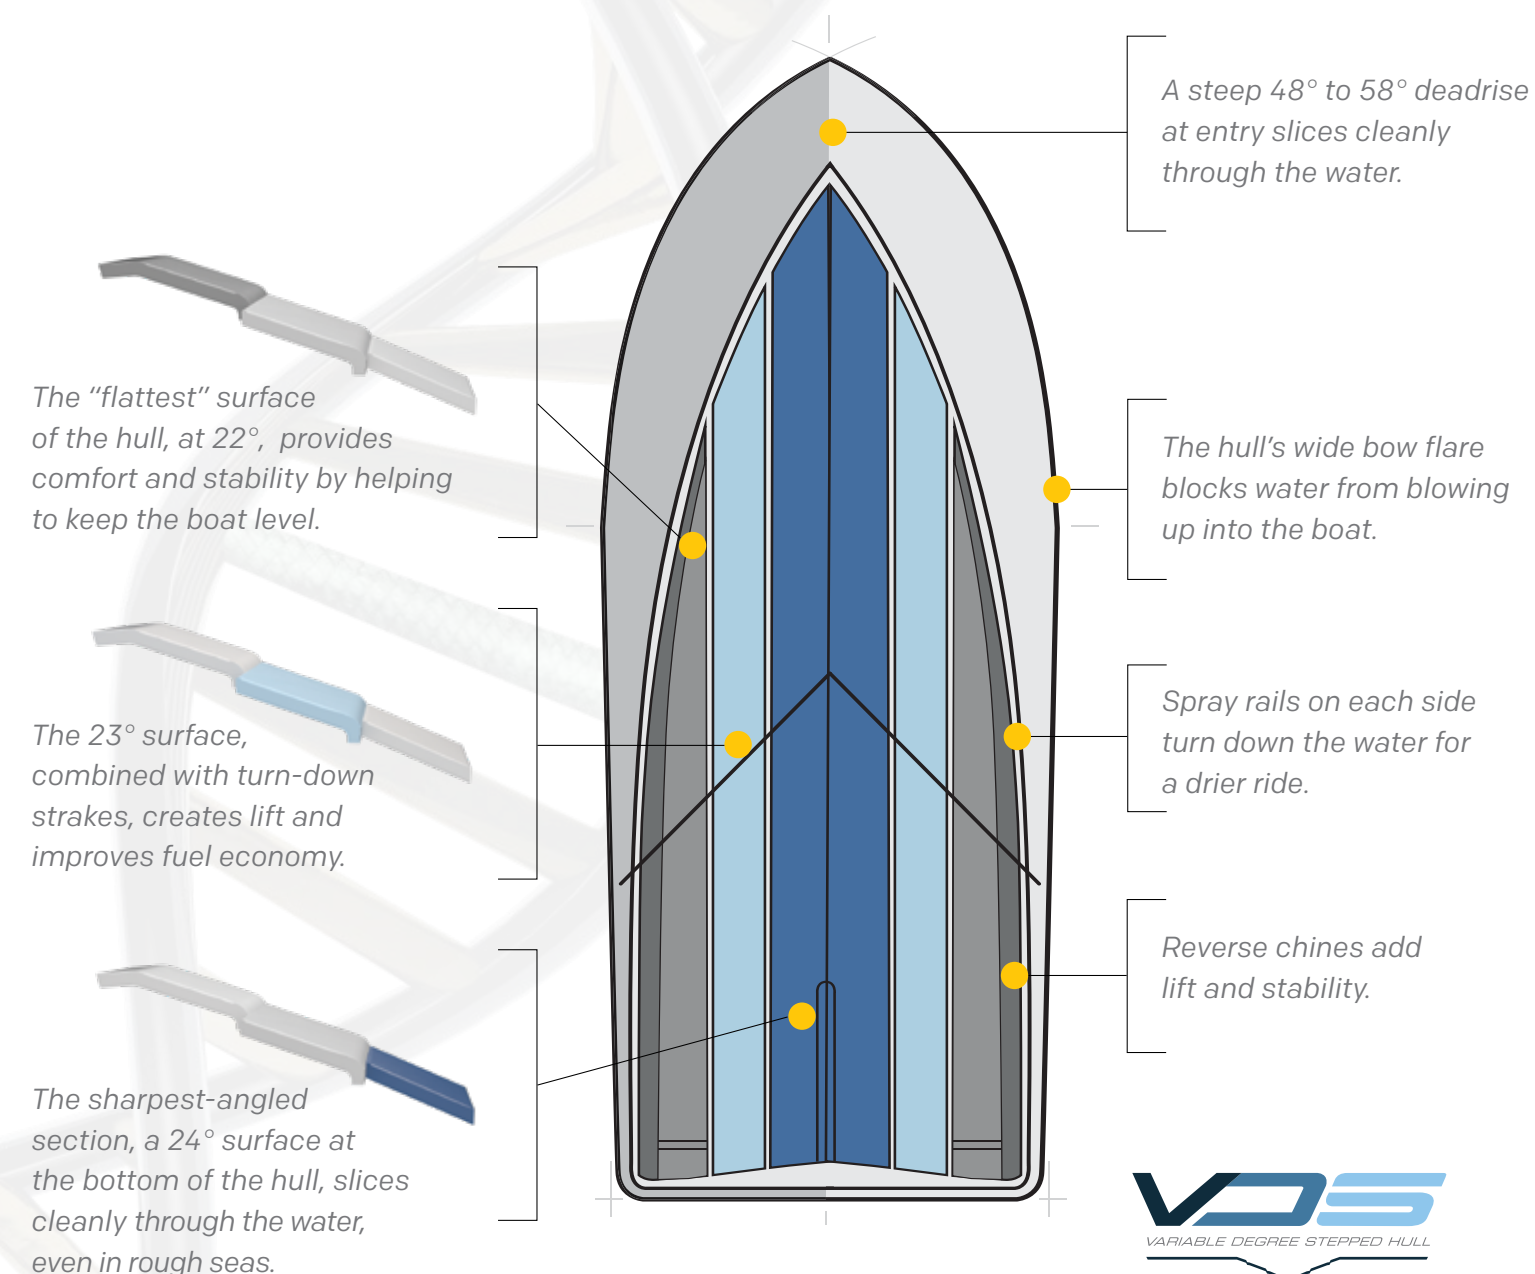

Carbon fiber PRISMA beam

THREE HULLS ARE BETTER THAN ONE

Sailfish Boats' unique Variable Degree Stepped (VDS) hull features three distinct running surfaces, offering triple the performance benefits of a typical V-hull.

catch moments that last

The 252 Center Console is designed with the modern boater in mind, seamlessly blending fishing performance with family-friendly versatility. With flexible layouts, abundant storage, and integrated livewells, every trip is effortless—whether you're chasing trophy fish, relaxing at the sandbar, or both in a single day.

Key Features

- 2 deck configurations – full aft bench seating with two 10-gal under seat livewells standard or portsideboarding door and aft fold-down seat, optional.
- Console dash with space for up to (2) 16" GPS screens (Garmin or Simrad).
- Single or Twin Engine configurations – Max 400HP.
- Leaning post with twin bolsters and reversible backrest, with carry-on 65-qt cooler and slide.
- Standard windlass system w/ Thru-Hull Stainless Steel Anchor.
- Large forward opening head access with pump-out porta potti standard, electric flush head system optional.
- Available with optional Seakeeper Ride system.
- Optional upgraded helm seating with twin mini-mako captains seats, flip-up bolsters, armrests and integrated storage below built in trash can and tackle storage compartments.
- Seamless bow bolster pads that serve as forward bow backrests and are removable that can be used as additional rod holders.
- Insulated 200-qt in-floor fish boxes w/ advanced vacuum pump and twin 165-qt bow fish boxes w/ overboard drains keep your catch fresh.

Feature Photos

- A** Wide helm console with full-height windshield and space for dual 16" screens.
- B** Optional portside access door with ladder offers convenient water and dock entry.
- C** Enclosed head offers Porta Potti with pump-out or optional electric flush.
- D** Optional helm seating: dual captains seat with bolsters, armrests, storage, and trash can.
- E** Spacious bow seating with versatile backrests that convert to bolster pads.
