SAILFISH

DEMAND THE DIFFERENCE

At Sailfish, Demand the Difference is more than just a slogan. It's a deliberate strategy to consistently exceed customer expectations. For three decades, Sailfish has delivered on a promise of quality and innovation, with its full line-up of reliable, versatile, stylish off-shore fishing boats. We invite you to compare Sailfish against any other competitive brand and see for yourself why Sailfish has earned its exceptional reputation and developed such a loyal following among saltwater enthusiast worldwide.

FISHING FOCUSED

At its core, Sailfish is a fishing boat – designed by anglers for anglers – built to withstand the rigors of inshore and offshore environments and loaded with more standard features for fishing enthusiasts than any other boat on the water.

Multiple rod holders forward and aft, insulated fish boxes, built in bait wells, and plenty of tackle storage are just some of the fishing amenities you'll find built into every Sailfish. A wide range of options allows you to customize your Sailfish for whatever type of fishing you do.

With reliable outboard power and the industry's the exclusive Variable Degree Stepped (VDS) hull, a Sailfish delivers a smooth, quick ride even in rough water.

The console is well designed for easy access to all controls and more than large enough to accommodate today's electronics and a wide range of helm seat and leaning post options let's you dial in your perfect comfort level.

From in-shore to deep water, there is a Sailfish model that's right for you. From 19 to 32-feet, there's a Sailfish that will accommodate any fishing adventure.

FAMILY FRIENDLY

Despite Sailfish's reputation as a serious fishing boat, anglers don't live by fishing alone, and for that reason every Sailfish has the built in versatility to be a hard-core fishing day one day and a family fun boat the next.

With comfortable full bow seating, stow away tables, abundant storage space, a roomy head and a retractable ski tow bar, your Sailfish transforms into the perfect platform for an exciting family day on the water.

Our new Dual Console model adds an even higher level of family fun possibilities, with a complete galley, a comfortable passenger lounge, plenty of aft seating and walk-through access from bow to stern.

Sailfish also provides for family safety with the highest cockpit depth in the industry – keeping water out and people in. They also feature the largest recessed, cockpit drains in their class, allowing the maximum amount of water to exit the deck providing for an extra level of safety.

Strategically placed bow rails, plenty of dot-matrix, easy clean, non-skid on the deck and an integrated telescoping ladder that can be easily accessed from the water all serve to put Sailfish among the safest boats on the market.

SAIL TECH CONSTRUCTION

Each Sailfish is quality built using only the best materials and proven manufacturing techniques – from start to finish there are no shortcuts taken anywhere in the production process.

Made from 100% composite materials and using 316 stainless steel hardware Sailfish is built to last. Kevlar and Carbon Fiber reinforcements are adding to the hull and deck for greater durability and the entire stringer system is foam filled for added safety. Each Sailfish boat comes with a 10-year hull warranty and a lifetime “no-rot” guarantee.

Plumbing and electrical systems are carefully engineered and professionally installed to provide years of trouble free operation and key systems are conveniently located to provide easy access should the need for service arrive.

It’s the little things that make the difference between a good boat and a great boat. All Sailfish boats are finished using the best available gelcoats, masterfully applied and polished to a brilliant shine. All hinges and deck lids are recessed into the mounting surface leaving nothing protruding to stub you toes or cut your feet when barefoot.

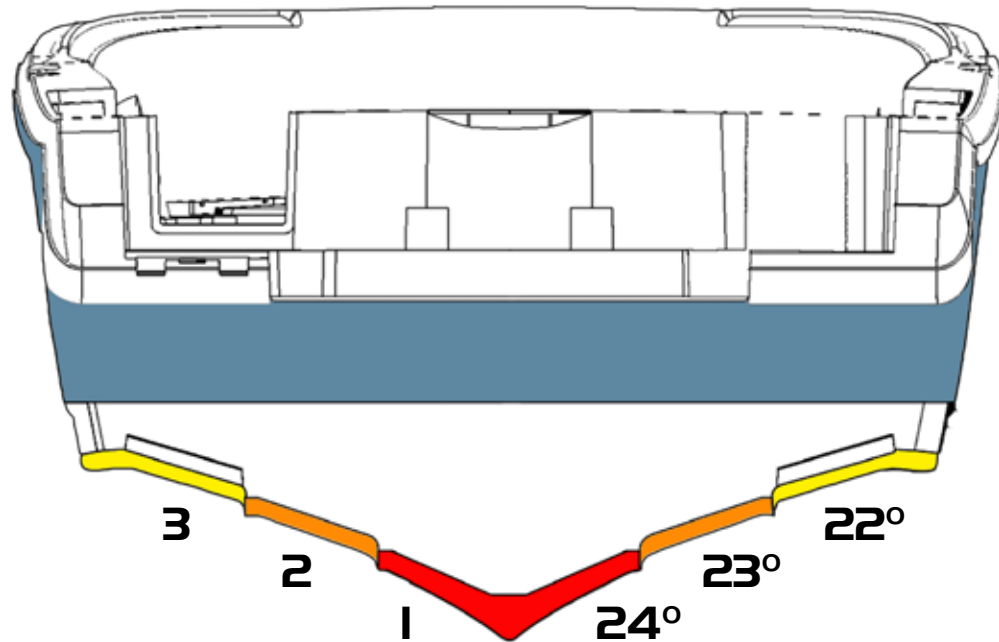

Our quality control is second to none, each Sailfish boat is painstakingly examined for flaws and imperfections before it leaves the plant – this attention to detail is another way Sailfish separates itself from the pack other boat builders.

Exclusive Variable Deadrise Stepped (VDS) Hull

Three Hulls in One:

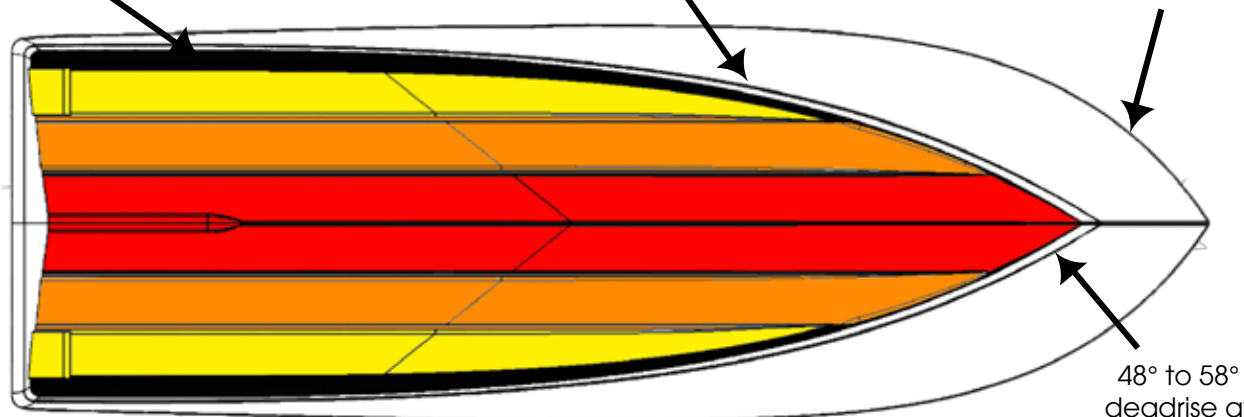

- The first hull cuts the water.
- The second hull combined with turn down strakes creates lift.
- The third hull creates stability.

Reverse chines for increased lift and stability

Spray rails on each side turn down the water for a drier ride

Wide bow flare keeps water from blowing back into the boat

48° to 58° deadrise at the entry

Lateral stepped hull that runs longitudinal from bow to stern.

ADVANCED DESIGN

Today's Sailfish is the result of almost three decades of design and engineering experience.

Our team of seasoned boat builders combines the best time-tested boat building technique with the latest in marine technology, to deliver a simply superior product.

Our exclusive, patented, Variable Degree Stepped (ADS) Hull provides the smoothest ride of any fishing boat on the market. Its unique design actually features three distinct running surfaces, the first, with a deep deadrise that cuts through the water and two others that provide for life and stability.

The hallmark of a Sailfish boat is its "intelligent ergonomics". From the layout of the helm to the deep gunwales and wide walkways from front to rear, every inch of each Sailfish model is planned and thought through for maximum utilization. From strategic seat heights and raised foot rest to purposefully placed controls and instrumentation, everything is deliberately located to provide maximum ease of operation.

It's no accident that Sailfish boats just seem to "work better" on the water. Come aboard any of today's Sailfish boats and discover for yourself what makes a Sailfish a Sailfish. We're sure that once you do, you'll be ready to Demand the Difference - The Sailfish Difference.

275 DC

The 275DC is the most versatile, dual console crossover on the market. All the amenities family fun of a bowrider, plus the fishing features that you have come to expect from a Sailfish. Go fishing in the morning, take the kids out for some wakeboarding in the afternoon and join some friend for a sunset dinner cruise. Plenty of comfortable bow and aft seating, a full galley and a spacious head make the 275DC perfect for on the water entertaining and the roomy cockpit area, built-in live well and convenient rod holders and ample tackle storage make the 275DC a truly multitasking wonder.

Specifications: LOA Hull Only 26' 2", Length Rugged 28' 2", Beam 9', Fuel Capacity 190 gal, Fresh Water 14 gal, Weight 7,040 lbs, Cockpit Depth Rear 30", Bow Depth 38", Max. HP 400 hp, Draft (Hull Only 18", Dead rise (Multi-angle) 22° - 24°, Battery Capacity 3, Bridge Clearance with Arch 8' 1", Person Capacity ?

320 CC

Serious offshore capability and dazzling style make the Sailfish 320CC the best performing big water boat we have brought to market. Our VDS hull design is the softest riding, driest hull in Sailfish history and the multiple deadrise, variable lift plane running surface, makes the 320CC both responsive, and extremely agile for a boat this size. But beyond the standards lies the real heart of Sailfish design, function, comfort, and practical ergonomics. Look over other brands in this size range, we think you'll agree that the Sailfish 320CC is the best of the best, and represents the clear choice in offshore fishing boats available at any price.

Specifications: LOA Hull Only 31' 6", Length Rigged 34' 0", Beam 10' 0", Fuel Capacity 285 gal, Fresh Water 21 gal, Approx. Rigged Weight 10,500 lbs, Cockpit Depth Rear 31", Cockpit Depth Front 40", Max. HP 600 hp, Draft – Hull 22", Deadrise (Multi-angle) 22° - 24°, Battery Capacity 3, Rod Holders (Standard) 30, Bridge Clearance with T-Top 8' 10", Person Capacity Yacht Certified

290 CC

The new 290CC has enormous offshore capabilities, and plenty of dazzling style. With the proven VDS high performance hull design, this boat is one of the driest, softest riding 29 footers on the market today. Loaded with standard fishing amenities, including 16 rod holders, 35 gallon leaning post live well, 30 gallon transom live well with high speed pickup, four fish boxes in the floor, rod storage and much more. The 290CC also boasts more available options to accommodate your everyday family needs as well as your tournament needs.

Specifications: LOA Hull Only 28' 6", Length Rigged 30' 6", Beam 9' 0", Fuel Capacity 225 gal, Fresh Water 14 gal, Approx. Rigged Weight 8,000 lbs, Cockpit Depth Rear 30", Cockpit Depth Front 40", Max. HP Single 600 hp, Draft – Hull 21", Deadrise (Multi-angle) 22°-24°, Battery Capacity 3, Rod Holders (Standard) 13, Bridge Clearance with T-Top 8' 10", Person Capacity Yacht Certified

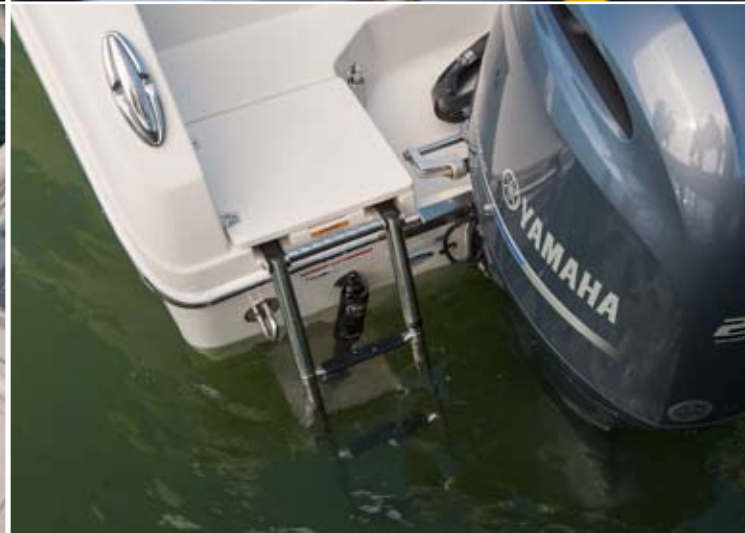

270 CC

The 270CC is one of our most popular size fishing platforms. From the newly designed helm, to the expanded cockpit area, the 270CC is the largest and most user friendly boat in its class. Like all of the Sailfish boats, the 270CC incorporates the Sailfish VDS multiple deadrise. This high performance hull design makes for one of the softest riding, best performing boats on the market. Loaded with standard equipment, not to mention the largest selection of options available. It's no wonder the Sailfish 270CC is the best selling boat in its class.

Specifications: LOA Hull Only 26' 2", Length Rigged 28' 2, Beam 9' 0", Fuel Capacity 190 gal, Fresh Water 14 gal, Approx. Rigged Weight 6,700 lbs, Cockpit Depth Rear 30", Cockpit Depth Front 40", Max. HP 400 hp, Draft – Hull 18", Deadrise (Multi-angle) 22° - 24°, Battery Capacity 3, Rod Holders (Standard) 12, Bridge Clearance with T-Top 8' 6", Person Capacity Yacht Certified

240 CC

You asked for it and we listened. This venerable Sailfish 24 footer is available with twin outboards or a single outboard. Increased cockpit space, newly redesigned helm, and enough standard equipment to make your mouth water have made the Sailfish 240CC one of the top-selling 24-foot center consoles on the market. Available in multiple eye-catching hull colors and a huge variety of options and accessories, the 240CC can be delivered to your exact specifications.

Specifications: LOA Hull Only 23' 6", Length Rugged 25' 6", Beam 9' 0", Fuel Capacity 146 gal, Fresh Water 14 gal, Approx. Rugged Weight 5,600 lbs, Cockpit Depth Rear 30", Cockpit Depth Front 40", Maximum HP 300 hp, Draft – Hull 18", Deadrise (Multi-angle) 22° - 24°, Battery Capacity 3, Rod Holders (Standard) 12, Bridge Clearance with T-Top 8' 6", Person Capacity 10

220 CC

The sailfish 220CC is one of the most popular 22-foot center consoles on the market. Talk to anyone who owns a 220CC and you'll find a true believer in the brand. An excellent ride in both smooth and rough seas, the 220CC sets the standard for all other boats in the class. Equipped for fishing or family fun, the 220CC is ready to go. Ample standard equipment, along with multiple options and accessories allow you to have the boat of your dreams in a package that's easily towed and as versatile as it gets. Test ride one today, you'll see what we mean.

Specifications: LOA Hull Only 21' 3", Length Rugged 23' 3", Beam 8' 6", Fuel Capacity 93 gal, Approx. Rugged Weight 4,450 lbs, Cockpit Depth Rear 26", Cockpit Depth Front 32", Max. HP Single 200 hp, Draft – Hull 18", Deadrise (Multi-angle) 22° - 24°, Battery Capacity 2, Rod Holders (Standard) 12, Bridge Clearance with T-Top 8' 4", Person Capacity 8

320 EXP

Serious offshore capability, a fully appointed cabin with berths for 6 or more, and dazzling style, combine to make the Sailfish 320 Express the sport utility of the sea. Whether cruising to dinner, or fishing the gulf stream, this boat provides the lifestyle you've always dreamed about. Standard fishing amenities include 13 upright rod holders, 30 gallon live well with high speed pickup, 2 deluxe tackle stations, and much more. Cruising features include enclosed shower/head, fold down bunks, aft berth, refrigerator, stove, microwave, shore power and hot water heater. Riding on the best performing hull design in the industry, the world is at your beck and call with the Sailfish 320 Express.

Specifications: LOA Hull Only 31' 6", Length Rugged 32' 0", Beam 10' 0", Fuel Capacity 297 gal, Fresh Water 21 gal, Approx. Rugged Weight 11,850 lbs, Cockpit Depth Rear 31", Max. HP Single 600 hp, Draft – Hull 22", Deadrise (Multi-angle) 22° - 24°, Battery Capacity 3, Rod Holders (Standard) 20, Bridge Clearance with Top 9' 7", Person Capacity Yacht Certified

270 WAC

HP Single 300 hp, Draft – Hull 18", Deadrise (Multi-angle) 22° - 24°, Battery Capacity 3, Rod Holders (Standard) 10, Bridge Clearance with Top 8' 9", Person Capacity 10

220 WAC

If you want the feel of a center console with the comfort of a walk around cuddy, the Sailfish 220WAC is the boat for you and your family. A spacious cabin equipped with overnight amenities and all of the fishing features you could ever need, combined with proven Sailfish big water performance, put the 220WAC in a class of its own. With a large variety of options and accessories available, you can customize a 220WAC to fit your lifestyle.

Specifications: LOA Hull Only 21' 3", Length Rigged 23' 6", Beam 8' 6", Fuel Capacity 93 gal, Fresh Water 6 gal, Approx. Rigged Weight 4,950 lbs, Cockpit Depth 26", Max. HP Single 200 hp, Draft – Hull 18", Deadrise (Multi-angle) 22° - 24°, Battery Capacity 2, Rod Holders (Standard) 10, Bridge Clearance with T-Top 8' 4", Person Capacity 8

PILOT HOUSES

Our versatile, Pilot House Package is a great way to gain additional protection from extreme weather. Available on our 320EXP, 270WAC and 240WAC, our Pilot House Package partially covers the helm and bridge deck area with a combined hardtop, windshield and window structure.

Beyond protecting you from the elements, Our Pilot House, offers a comfortable and functional layout, with all the amenities and options that you have come to expect from a Sailfish. Designed not only to provide three sided protection from the elements, the open back provides easy access to all the aft deck fishing action.

The Sailfish 208CC has delighted anglers and families alike for years. The versatile 208CC works as well offshore as it does on the flats. Classic design, functional standard equipment, and a variety of optional accessories allow you to customize your 208CC to your exact needs. Don't let the size fool you! Many expert anglers swear by the 208CC; it's a lot of boat in a very manageable size.

Specifications: LOA Hull Only 20' 2", Length Rigged 22' 2", Beam 7' 7", Fuel Capacity 60 gal, Approx. Rigged Weight 3,275 lbs, Max. HP Single 150 hp, Draft – Hull 12", Deadrise (Multi-angle) 19° - 21°, Battery Capacity 2, Rod Holders (Standard) 6, Bridge Clearance with T-Top 8' 2"

2100 BAY

If you want the most versatile 21-foot bay boat on the market, then Sailfish 2100BB is for you. This boat is adaptable to both fresh and saltwater elements – inshore or offshore. The aggressive 18° deadrise hull means a soft ride in big water. The 2100BB is an angler’s dream with features like large front and rear casting decks, 12 rod holders, multiple storage locations, and the capacity of three live wells. The 2100BB can be tailored to fit with multiple helm seating styles to meet and exceed your expectations.

Specifications: LOA Hull Only 21' 0", Length Rigged 23' 0", Beam 8' 6", Fuel Capacity 63 gal, Approx. Rigged Weight 3,625 lbs, Max. HP Single 200 hp, Draft – Hull 13", Deadrise 18°, Battery Capacity 4, Rod Holders (Standard) 14, Bridge Clearance with T-Top 5' 5"

1900 BAY

The Sailfish 1900BB redefines the multipurpose bay boat. An aggressive 18° deadrise hull with 21" deep sides, standard 16-gallon bait well, optional catch and release live well, and abundant storage means you're ready for a full day fishing trip. The 1900BB is by far the most versatile boat in its class, with seating capacity for 5 and easy access built-in boarding ladder. It doesn't matter if you're a weekend warrior or a professional angler, on the lake or in the bay, inshore or offshore, the 1900BB gets the job done.

Specifications: LOA Hull Only 19' 0", Length Rigged 21' 0", Beam 8' 6", Fuel Capacity 53 gal, Approx. Rigged Weight 2,750 lbs, Max. HP Single 150 hp, Draft – Hull 13", Deadrise 18°, Battery Capacity 4, Rod Holders (Standard) 14, Bridge Clearance with T-Top 5' 5"
