SAILFISH

DEMAND THE DIFFERENCE

At Sailfish Demand the Difference is more than just a slogan, it is part of our philosophy to consistently exceed customer expectations. For over three decades Sailfish has delivered on a promise of quality and innovation with its full line-up of reliable, versatile, stylish boats including Center Console, Dual Console, Walk Arouns and Bay models. We invite you to compare Sailfish against any other competitive brand and see for yourself why Sailfish has earned its exceptional reputation and developed such a loyal following among saltwater enthusiasts worldwide.

FISHING FOCUSED

At its core, Sailfish is a fishing boat designed by anglers for anglers built to withstand the rigors of inshore and offshore environments while loaded with more standard features for fishing enthusiasts than any other boat on the water.

Multiple rod holders throughout, insulated fish boxes, built in bait wells, and plenty of tackle storage are just some of the fishing amenities you'll find built into every Sailfish. A wide range of options allows you to customize your Sailfish for whatever type of fishing you pursue.

With reliable outboard power and the industry's exclusive Variable Degree Stepped (VDS) hull, a Sailfish delivers a smooth, stable ride even in rough water.

The helm is designed for easy access to all controls and more than large enough to accommodate today's electronics. A wide range of helm seats and leaning post options let you dial in your comfort level.

From in-shore to deep water, 19 to 32-feet, you'll find a Sailfish that will accommodate any fishing adventure or family outing.

FAMILY FRIENDLY

Despite Sailfish's reputation as a serious fishing boat, anglers don't live by fishing alone and for that reason every Sailfish has the built-in versatility to be a hard-core fishing boat one day and a family fun boat the next.

With comfortable full bow seating, stow away tables, abundant storage space, a roomy head and a retractable ski tow bar, your Sailfish transforms into the perfect platform for an exciting family day on the water.

Our new Dual Console models add an even higher level of family fun possibilities with a complete galley, a comfortable passenger lounge, plenty of aft seating and walk-through access from bow to stern.

Sailfish also provides family safety with the highest cockpit depth in the industry, keeping water out and people in. They also feature the largest recessed cockpit drains in their class, allowing the maximum amount of water to exit the deck providing for an extra level of safety.

Strategically placed bow rails, dot-matrix easy clean non-skid on the deck and an integrated telescoping ladder that can be easily accessed from the water all serve to put Sailfish among the safest boats on the market.

SAIL TECH CONSTRUCTION

Each Sailfish is built using only the best materials and proven manufacturing techniques, from start to finish there are no shortcuts taken anywhere in the production process.

Made from 100% composite materials and using stainless steel hardware, Sailfish is built to last. Kevlar and Carbon Fiber reinforcements are added to the hull and deck for greater durability and the entire stringer system is foam-filled for added safety. Each Sailfish boat comes with a 10-year hull warranty and a lifetime "no-rot" guarantee.

Plumbing and electrical systems are carefully engineered and professionally installed to provide years of trouble free operation and key systems are conveniently located to provide easy access should the need for service arrive.

It's the little things that make the difference between a good boat and a great boat. All Sailfish boats are finished using the best available gelcoats, masterfully applied and polished to a brilliant shine. All hinges and deck lids are recessed into the mounting surface leaving nothing protruding providing safety for your feet.

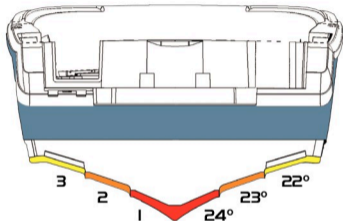

Our quality control is second to none. Each Sailfish boat is painstakingly examined for flaws and imperfections before it leaves the plant, this attention to detail is another way Sailfish separates itself from the pack of other boat builders.

Exclusive Variable Degree Stepped (VDS) Hull

Three Hulls in One:

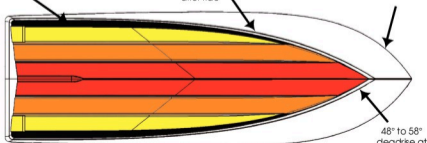

-  The first hull cuts the water.
-  The second hull combined with turn down stakes creates lift.
-  The third hull creates stability.

Reverse chines for increased lift and stability

Spray rails on each side turn down the water for a drier ride

Wide bow flare keeps water from blowing back into the boat

48° to 58° deadrise at the entry

Lateral stepped hull that runs longitudinal from bow to stern.

ADVANCED DESIGN

Today's Sailfish is the result of over three decades of design and engineering experience.

Our team of seasoned boat builders combines the best time-tested boat building techniques, with the latest in marine technology to deliver a simply superior product.

Our exclusive, patented, Variable Degree Stepped (VDS) Hull provides the smoothest ride of any fishing boat on the market. Its unique design features three distinct running surfaces. The first with a deep deadrise that cuts through the water and two others that provide for lift and stability.

The hallmark of a Sailfish boat is its "intelligent ergonomics". From the layout of the helm to the deep gunwales and wide walkways each Sailfish model is planned and thought through for maximum utilization. From strategic seat heights and raised foot rests, to purposefully placed controls and instrumentation, everything is deliberately located to provide maximum ease of operation.

It's no accident that Sailfish boats just seem to "work better" on the water. Come aboard any of today's Sailfish boats and discover for yourself what makes a Sailfish a Sailfish. We're sure that once you do, you'll be ready to Demand the Difference, The Sailfish Difference.

325 DC

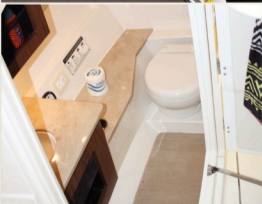

The 325DC offers the perfect platform for whatever your day on the water throws your way. Packed with standard features and built to go head to head with any top-tier competitor, the 325DC sets the standard for style, value and performance in the dual console marketplace. Families enjoy the luxurious bow seating, well equipped cockpit and below deck galleys, a spacious head, comfortable helm and passenger seating. Additional popular features such as wrap-around fold-down aft seating, easy rear and side step down entry, plenty of storage and a full array of fishing amenities make the 325DC a fantastic addition to the Saltfish dual console line-up.

SPECIFICATIONS:

LOA Hull Only 31'6", Length Rigged 34',
Beam 10'0", Fuel Capacity 297 GAL, Fresh
Water 21 GAL, Weight 11,066 LBS, Cockpit
Depth Rear 31', Max. HP 700HP, Draft - Hull
22", Deadrise (Multi-angle 22"-24", Battery

HP Single 300 hp, Draft - Hull 18", Deadrise (Multi-angle) 22" - 24", Battery Capacity 2, Rod Holders (Standard) 6, Bridge Clearance with T-Top 8' 5", Person Capacity 12

320 CC

Serious offshore capability and dazzling style make the Solfish 320CC the best performing big water boat we have brought to market. Our VDS hull design is the softest riding, driest hull in Solfish history. The multiple deadrise, variable lift plane running surface makes the 320CC both responsive and extremely agile for a boat this size. But beyond the standards lies the real heart of Solfish design, function, comfort, and practical ergonomics. Look over other brands in this size range and we think you'll agree that the Solfish 320CC is the best of the best. It represents the clear choice in offshore fishing boats available at any price.

SPECIFICATIONS:

LOA Hull Only 31'6", Length Rigged 34'0", Beam 10'0", Fuel Capacity 284 gal, Fresh Water 21 gal, Approx. Rigged Weight 10,500 lbs, Cockpit Depth Rear 31", Cockpit Depth Front 40", Max. 270 CC

 YAMAHA

The 270CC is one of our most popular size fishing platforms. From the newly designed helm, to the expanded cockpit area, the 270CC is the largest and most user friendly boat in its class. Like all of the Sailfish boats the 270CC incorporates the Sailfish VDS multiple deadrise hull. This high performance hull design makes for one of the softest riding, best performing boats on the market. Loaded with standard equipment, not to mention the largest selection of options available. It's no wonder the Sailfish 270CC is the best selling boat in its class.

SPECIFICATIONS:

LOA Hull Only 26'2", Length Rigged 28'2", Beam 9'0", Fuel Capacity 188 gal, Fresh Water 14 gal, Approx. Rigged Weight 6,700 lbs, Cockpit Depth Rear 30", Cockpit Depth Front 40", Max. HP 400 hp, Draft - Hull 18", Deadrise (Multi-angle) 22" - 24", Battery Capacity 3, Rod Holders (Standard) 12, Bridge Clearance with T-Top 86", Person Capacity Yacht Certified

242 CC

YAMAHA

You asked for it and we listened. This legendary Sailfish 24 footer is available with twin and single outboards. Increased cockpit space, newly redesigned helm, and enough standard equipment to make your mouth water have made the Sailfish 242CC one of the top-selling 24-foot center consoles on the market. Available in multiple eye-catching hull colors and a huge variety of options and accessories, the 242CC can be delivered to your exact specifications.

SPECIFICATIONS:

LOA Hull Only 24', Length Rigged 26', Beam 9'0", Fuel Capacity 146 gal, Fresh Water 14 gal, Approx. Rigged Weight 5,600 lbs, Cockpit Depth Rear 30", Cockpit Depth Front 40", Maximum HP 300 hp, Draft - Hull 18", Deadrise (Multi-angle) 22° - 24°, Battery Capacity 3, Rod Holders (Standard) 12, Bridge Clearance with T-Top 8'6", Person Capacity 10

241 CC

An Overnight Sensation 30 Years in the making! The New Sailfish 241CC effectively combines the Sailfish legacy with the latest innovations in center console design to deliver a truly amazing fishing platform. With its sleek, dynamic profile and 6th generation VDS hull plus an amazingly functional layout and solid Sail-Tech construction, the 241CC is now the gold standard in the 24' class. A single motor application, the Sailfish 241CC is functional, comfortable and is perfect for both offshore and inshore fishing and family fun.

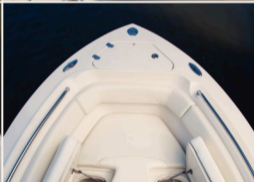

SPECIFICATIONS:

LOA Hull Only 24', Length Rigged 26', Beam 8'6", Fuel Capacity 108 gal, Approx. Rigged Weight 5,000 lbs, Cockpit Depth Rear 27", Cockpit Depth Front 32", Max. HP Single 300 hp, Draft - Hull 18", Deadrise (Multi-angle) 22° - 24°, Battery Capacity 2, Rod Holders (Standard) 12, Bridge Clearance with T-Top 8'6", Person Capacity 10

220 CC

The scallfish 220CC is one of the most popular 22-foot center consoles on the market. Talk to anyone who owns a 220CC and you'll find a true believer in the brand. With an excellent ride in both smooth and rough seas, the 220CC sets the standard for all other boats in the class. Equipped for fishing or family fun, the 220CC is ready to go. Ample standard equipment along with multiple options and accessories allow you to have the boat of your dreams in a package that's easily towed and as versatile as it gets. Test ride one today, you'll see what we mean.

SPECIFICATIONS:

LOA Hull Only 21'3", Length Rigged 23'3", Beam 8'6", Fuel Capacity 93 gal, Approx. Rigged Weight 4,450 lbs, Cockpit Depth Rear 26", Cockpit Depth Front 32", Max. HP Single 200 hp, Draft - Hull 18", Deadrise (Multi-angle) 22" - 24", Battery Capacity 2, Rod Holders (Standard) 10, Bridge Clearance with T-Top 8'4", Person Capacity 8

- Stainless Steel Propellers
- Stainless Steel Propellers / Ski Tow Bar
- Stainless Steel Propellers (4)

Head

- Sea Gaze Removable Flooring
- Sink w/ Faucet
- SST Port Light
- Towed Rack, TP Holder and Storage

Helm

- Large Dash Area (Capable of flush mounting 12" Sonar)

Electrical

- 12 Volt DC Accessory Plug
- Accessory Switch Panel w/ Circuit Breakers
- Computer
- Custom Instrumentation
- Heavy Duty High Performance Trim Tabs with Indicators & Auto Retract Feature
- LED Interior Cockpit & Edge Lighting
- LED Navigational Bow & Anchor Light
- VSR Battery Charging System

Fishing

- Large Dash Area (Capable of flush mounting 12" Sonar)
- Insulated Bow Fish Boxes with Overboard Drains
- Retractable Fish Box (24" x 36")

Plumbing

- 1.8 GPH Freshwater Tank
- Automatic Biceps Pump 2000 GPH All and 750 (GPH Forward)
- Freshwater Showers (2) - Transom And Head
- High Speed Lowline Pickup
- Pull Out Shower in Head
- Pull Out Transom Shower
- Raw Water Wash Down
- Salt Baiting Cockpit
- Sink with Faucet (Galley)

Seating

- 2" Galv. Freshwater Tank
- 2" Drain w/ Collector Boxes for Salt
- Baiting Cockpit
- Automatic Biceps Pump (A12 - 2000 GPH & Forward 1 - 750 GPH)

Engine Options

- Sea-FUSION
- Mercury
- Twin 3000L Verado
- SST 3000L Verado
- White Painted Motors

Storage

- In-Door Storage Box in the Bow
- Recessed Rod Storage - Port & Starboard
- Storage Center w/ Pull Out Drawers (Cockpit Galley)

OPTIONS

Boat Options

- 12 Volt Refrigerator
- 2 Additional Rod Holders (in Binnacle)
- Additional Table Base
- Cockpit & Bow Covers
