ENGINE LENGTH (in)	25, 25				
ENGINE MOUNTING HEIGHT					
MOUNTING HOLE POSITION	#3				
PROPELLER/S					
MERCURY NAME	Enertia				
PITCH	19.0, 19.0				
PROPELLER MATERIAL	STAINLESS STEEL				
NUMBER OF BLADES	3				
COMMENTS					
Test weight includes 40 gallons of fuel, 3 batteries,					
safety and test equipment.					

**Notice to Consumer:** The information and data contained in this Performance Bulletin is approximate and subject to many different factors and variables. It is provided as a guideline only and should not be relied upon as representative of actual performance. Your boat's performance may be different than the information contained in this Performance Bulletin due to various factors including your boat's actual weight, wind and water conditions, temperature, humidity, elevation, bottom paint, boat options affecting wind/water drag and/or boat weight, and operator ability. Please confirm the specifications and performance data on your specific boat/engine combination with your dealer prior to purchase. Seminole Marine Inc. reserves the right to change the specifications and performance data of this Performance Bulletin or engine without notice.
